Claim 38 is amended by the amendment dated May 16, 2005.

The rejection under 35 USC 112, second paragraph is withdrawn because of the claim amendment.

The specification is objected because the specification does not contain proper heading(s) and a brief description of the drawings. Note that the incomplete brief description of drawings as introduced in an unentered amendment dated 1/18/05 is also not entered.

The drawings are also objected because the drawings (group a – group I) in “Fig 1” and “Fig 1 cont....” should be labeled as Fig a – Fig i, respectively. Note also that the drawings contain Figs 3a-3b and 4a-4c.

A separate page containing only the abstract is not present in the as-filed application. Correction is required.

Claims 38-57 are allowable.
